Business-Link: about us

Business-Link is one of the **largest educational advisory companies operating in Ukraine** with strong international links, concentrating on UK only.

We have around 400 students annually, both children and adults, going for short and long term courses to the **UK only**.

We have placed kids at **many top British Schools**, keeping close contacts with their families and expanding our business year on year. With over 10 years experience of customer service in this specific area, we are looking for **real** opportunities to help develop Education in the UK for Ukrainians.

Please see enclosed more information about our agency in Kiev and our services to partners.

Please let us know if you would like to secure your place in the Directory or require more information.
